#### Stock Number

FG00890

AT6 requires 6 Series Bracket Kit for installation. Use FG00320 or FG00898 (sold separately)

#### Woofer Technology

- 6-1/2" Interlaced glass and carbon-fiber cone is extremely rigid to reduce breakup and lower distortion even under high power
- Butyl rubber cone surround damps resonance and provides exceptional durability
- High BL magnet structure with vented pole piece ensures powerful bass response
- Dispersion stabilizer distributes midrange tones for clear off-axis sound

#### Tweeter Technology

- Proprietary tweeter-adjustment mechanism ratchets in 1mm increments and then pivots for precise aiming of high frequencies
- 1" Tri-laminate Teteron dome with fluid-cooling and ultra-wide dispersion for clear and detailed high-frequencies
